**Gain Insight on Technology
Insight on Technology (IOT) Tradeshow gets ready for Montreal**

Montreal, November 15th, 2006 – Imagine having all the top industry players in one room. **Insight makes IT happen!** On Wednesday December 6, 2006, Insight Canada hosts this exclusive IT summit, which unites Montreal's leading Informational Technology decisions makers with the leading IT manufacturers and suppliers to showcase the latest in technological advancements and service solutions.

"IOT is a smart way of keeping in tune with the newest technologies and solutions offerings. Technology is constantly changing and Insight is a trusted advisor, helping companies stay on top by providing them with solutions that address their business needs", said Fred Funkel, Senior Sales Manager for Insight Canada.

This marks the 2nd year that IOT Montreal has been hosted by Insight Canada. It is a full solution show that specifically targets the leading technology issues faced by the Canadian IT Community. The latest products and solutions across all hardware and software categories will be displayed, discussed and demonstrated by over 35 of the world's leading technology manufacturers.
