Insight Enterprises to Host Technical Tradeshow Industry leaders unite to showcase the latest in technology

Montreal, Aug 13, 2007 – Insight Canada, the Canadian branch of Insight Enterprises, Inc. (Insight) (NASDAQ: NSIT), is proud to announce that they will once again host the popular industry tradeshow, “Insight on Technology” (IOT). Industry giants such as IBM, Symantec, Trend Micro, APC, Adobe, Cisco, HP and many others, will be participating in exhibitions and seminars. The annual gathering unites Information Technology decision makers with leading suppliers to showcase the latest in technological advancements and service solutions.

This is the eleventh year that IOT Winnipeg has been hosted by Insight Canada. As a “full solution” trade show, IOT specifically targets creative outcomes to the leading technology issues. Products and solutions across hardware and software categories will be displayed, demonstrated and discussed by the world's leading technology manufacturers.

“Insight on Technology is a smart way of keeping in tune with the newest developments in technology and service solutions,” said Fred Funkel, Senior Sales Manager for Insight Canada. “Technology is constantly changing and technology companies must be progressive and adaptable in order to lead the industry.”
