**Insight Canada and La Coupe Soccer Internationale de Laval
A winning team!**

Montreal, Canada. June 16, 2005 - Insight Canada, Inc. (a subsidiary of Insight Enterprises, Inc.) is proud to announce they have joined forces with la *Coupe Soccer Internationale de Laval* to be one of the tournament's corporate partners.

Insight Canada is the Canadian subsidiary of Insight Enterprises, Inc.; the IT Solutions provider that began operations in Tempe, Arizona in 1988. Employing over 350 sales and support staff, in multiple Canadian cities, Insight is a dynamic and forward thinking company who prides itself on Total Employee Commitment.

A focus for Insight Canada in 2005 is to strengthen its community involvement, promoting healthy living and wellness for its employees and partners.

"We have our very own soccer team and a soccer following here at Insight so choosing to partner with la *Coupe Soccer Internationale de Laval* to strengthen our community involvement was an easy choice" says Sophia Metaxas, People and Development Manager of Insight Canada, Inc. "It is a privilege to be among the partners for this long-standing tournament."

Insight Canada will have a booth on the field "Compétences 2000" during the weekends of the 2-3 and 9-10 of July. We invite anyone interested in knowing more about Insight to come by and visit.

Celebrating its 20th anniversary, the tournament is proud to have the participation of the Montreal Impact's Head Coach, Nick De Santis (president d'honneur) as well as the use of the fields at the Centre de soccer Bois-de-Boulogne, which is the largest center in Canada!

La *Coupe Soccer Internationale de Laval* games will take place during 2 weekends (July 2, 3 and 9, 10). There will be over 500 matches, 13 categories, 300 teams, 6500 players and 50000 spectators.
